CAMARADERIE FOUNDATION

I wanted to share with the members of C101 the impact the C101 Grant Reward has made. We submitted the grant to be used for producing a Resource Guide focused on the military veterans and their families. The Resource Guides have been requested by numerous military families currently seeking support from the Camaraderie Foundation. We will be providing copies at outreach events, including to Valencia College Student Veteran Association, and to local first responders.

We are grateful for the support from C101 to be able to fulfill a request that the veteran community has been asking for.

In addition, Camaraderie Foundation provided 70 counseling scholarships last year. One of the recipients told our Program Manager the other day that he wouldn't have made it another year had it not been for the Camaraderie Foundation's support.

Thank you so much for being a part of this effort!
