

### **EDGEWOOD CHILDREN'S RANCH**

Edgewood Children's Ranch is grateful for the Grant Reward that was provided by the West Orange Committee of 101 in 2012. Since we do not accept any State or Government funding, grants are critical to the support of our program.

Approximately 98% of the children entering the program at Edgewood Children's Ranch are behind in school one to three years in at least one subject and are not able to read at their appropriate grade level. Our curriculum consists of PACES, which allow the students to work at their own speed, therefore achieving the success they were unable to attain in public schools. Over 90% of our children achieved Honor Roll status last quarter and we are very proud of the progress they have made. Since many of our parents are unable to cover the costs of the curriculum, your grant has provided four students with workbooks and curriculum for one school year.
