

WEST ORANGE FOUNDATION 2023-2024

About Us

The West Orange Foundation, a 501(c)(3) entity, is the philanthropic arm of the West Orange Chamber of Commerce. It aims to expand outreach, advance community programs, and foster greater business participation within West Orange County. The Foundation supports the Chamber's initiatives, as well as other non-profit organizations, making a significant impact in our community.

Mission

The mission of the West Orange Foundation is to enhance the quality of life in our community so that it is a highly sought-after place to live, work, and do business.

Vision

The Foundation aims to extend its influence and impact throughout the community. This includes not only providing financial support through philanthropy but also actively engaging with the community through various outreach programs. The goal is to touch as many lives as possible and make a positive impact in West Orange County.
